

2005 Doctor of Ministry Vision

1. Graduation and Surviving with healthy Families
2. Transformation leadership in each area.
3. An International community of Leaders impacting the world church.
4. Clear Vision of leadership, empowerment and personal growth
5. Common Vision and ability to transform to world church

Vision Statement:

- The 2005 Leadership cohort will become an international community of leaders committed to impacting the world church through transformational leadership while providing servant leadership to our own families.
