Blackby's book should really be titled, God's Guidance

Rather than *Experiencing God*

How do you know God's will in my life?

The real question here was the number one question for the students at Andrews University.

We train people faster than they can obey in our church.

The best way to educate people is to teach them only as far as they can obey.

This is how you discover God's will and this is how you obey.

"Truth doesn't lead to an encounter with God, but it is an encounter with God?"

Protestant theology has made a huge wedge between faith and obedience.

Paul uses the term of obedience of faith.

Thai: believe and listen carefully

If you believe and listen carefully you will obey.
