Story of 5 foster children in Wyoming; a Mormon couple taking care of these children.

Family had stopped at a gas station and got to the counter to pay and exclaimed, "O, I'll leave the children here and go home to get the money. Never returned.

Yancey mentions the joyous Psalms like 89, but also the dark psalm like 88.

Why do we give God thanks for helping our children to have money for tuition while all the time 1000's are dying in Baghdad?
