Instead of the study model, Jon promotes the relational model or experiential.

Not to accomplish a curriculum, but to meet God.

For Christ, the devotional life was communion with the Father.

Ministry of Healing 52 and 58 speaks to Jesus' communion with the Father.

Study can be part of this, but the relationship needs to be the bigger picture.

Biblical truth: You'll know the truth and you'll be free.

Know speaks to intimate relations—in Hebrew to personally know.

All of these ways are simply paths to relational experience.
