Ministry Pyramid

If the foundation is missing or flawed, everything above it is shaky.

Ministry is the goal, but that can only happen based upon what is below as foundation.

For a powerful work of ministry, you need to have these foundations in place.

Concern: balance with people, sermons, family, views, study, etc.

Mullholland calls for a process that leads to ministry.

The effectual preparation of all ministry is the connection with God. *Desire of Ages 36*
