

Two by Two Ministry in New Territory/Cities/Suburbs

In the work of disseminating the gospel, Christ sent his disciples out by two and two. In our efforts we should follow the plan of our Master. There are many that think it would be more advantageous to scatter our forces as much as possible so as to take in as much territory as possible; but Christ's way is best, and it will always result in loss to follow other methods than his. If two workers could come to this distant field, qualified by the Holy Spirit, and would deny self and take up the cross and follow Jesus, making it manifest that they were true disciples, an important work could be accomplished in the cities and their suburbs. We desire that men and women should come to these fields who have a knowledge of the truth, who are not as children tossed to and fro, who want not a pleasant time, but who are willing to carry burdens. {ST, January 23, 1893 par. 10}
